

AMOREE

Intro

Amoree is an India based manufacturer and exporter of high end leather goods since 2018, delivering exceptional craftsmanship to global brands, retailers, and enterprises. We create finely crafted leather products that combine durability, functionality, and timeless design.

Our product portfolio spans an extensive range, including leather bags, women's handbags, wallets, purses, belts, folders, small leather accessories, wrist watch belts, pet accessories, desk essentials, and curated corporate gifting solutions. Every piece reflects our commitment to quality materials, responsible sourcing, and meticulous detailing.

With advanced manufacturing capabilities and a fully integrated production facility, we offer bespoke leather development, private label manufacturing, custom manufacturing, and large-scale production tailored to international market requirements. Our focus on consistency, sustainability, and precision has positioned Amoree as a trusted manufacturing partner for businesses across the globe.

Based in Mumbai, we are a trusted manufacturer and exporter of premium genuine leather bags, supplying to international markets including North America, UK, Europe, Middle East, and Asia.
